

## Statement of Origin

Dear Customer,

This letter is to inform all who may be concerned that all of Panoramic, Inc.'s plastic thermoformed parts are manufactured in the United States.

The raw materials in which we use in our manufacturing facility are sourced and manufactured from plants primarily located in the United States. The rolls of material we purchase for the use in the manufacture of our thermoformed parts are considered FDA compliant (See our FDA Certificate of Compliance Letter).

Our manufacturing facility is located at 1500 North Parker Drive in Janesville, Wisconsin 53545 USA.

Sincerely yours,

A handwritten signature in black ink, which appears to read "Adam Holznecht", with a horizontal line extending to the right from the end of the signature.
