

 **PANORAMIC[®]**
A Division of Anchor Packaging

November 2024

Panoramic is a customer-focused designer and manufacturer of custom and stock thermoformed rigid plastic products for food, retail and industrial markets. **Design - Quality - Service**, the fundamental elements that drive the company to develop innovative packaging solutions, with the highest quality standards and back it up with impeccable customer service.

Panoramic offers a wide variety of stock food containers, produced from FDA approved PETE  material. PETE is the preferred choice for food packaging with benefits including:

- **Presentation:** Crystal clear clarity to enhance product presentation and consumer appeal
- **Strength:** Excellent strength and toughness; resistant to impact, cracking or shattering
- **Food Freshness:** Superior gas, oxygen and moisture barrier properties extend shelf life, maintain food quality and reduce spoilage
- **Food Preservation:** No transmission of odor or taste to food products
- **Frozen Food Application:** Endures freezing temperature range 15F to 140F
- **Environmentally Sound:** PETE is the most recycled food packaging material nationwide

Certifications

Anchor Packaging Acquired Panoramic Inc. July 2020

Based in St. Louis, MO, Anchor Packaging LLC is one of the largest thermoformers in North America and best known for its award-winning product designs and custom capabilities. Anchor Packaging's products include Crisp Food Technologies® containers that keep foods hot & crispy for 30-minute home delivery, Safe Pinch Tamper-Evident containers, and affordable packages for restaurant takeout and supermarket deli prepared meals. Anchor's unique stock product line includes over 450 rigid packages and cling film products.

Anchor's rigid products are made of  PETE/RPET or  polypropylene and reusable then recyclable after many uses.

Sustainable Innovative Packaging

Panoramic Inc, a Division of Anchor Packaging, offers our customers environmentally neutral products produced in a sustainable manufacturing environment. **We recycle virtually 100% of our raw materials** and continue to minimize our product designs to reduce waste and shipping fuel costs.

Panoramic Inc, a Division of Anchor Packaging products offer these waste management strategies

Reduce: Our product development team has greatly reduced the use of petroleum based resins in our products through design, process and material engineering without sacrificing performance.

Reuse: Panoramic products are consumer reusable and great for storing leftovers.

Recycle: Panoramic's rigid plastic products are made of  PETE, the most recycled food packaging material nationwide. Check your community for recycling information (www.earth911.org).
